Cosh Living was established in 2008, primarily as a distributor of quality, designer outdoor furniture for the up-market residential and contract sectors. Leading designer brands encompass dining, lounging and poolside furniture in a wide range of materials and finishes including stainless steel, powder-coated aluminum, synthetic weave, glass, stone and ceramic. Contemporary and traditional designs are available. Cosh Living's sophisticated display showrooms feature fully landscaped concepts to assist designers and customers in product selection. Cosh Living is based in Melbourne and Brisbane.
